Dear Parent/Carer

**Wakefield 0-19 Service of Health Visitors (including Family Nurses) and School Nurses**

Your Wakefield 0-19 Service of Health Visitors (including Family Nurses) and School Nurses is currently provided by Bradford District Care NHS Foundation Trust (BDCFT). From 1 October 2022, this will transfer to Harrogate and District NHS Foundation Trust (HDFT).

We are all working together to focus on making sure services transfer smoothly across to HDFT and want to reassure you that the Service will remain locally based in Wakefield. HDFT are very experienced in the successful delivery of services for children aged 0-19 years. We will continue working with children, young people and families across Wakefield District in a variety of settings such as schools, health centres, GP surgeries, youth venues and in the family home.

There will be a new telephone number for you to contact us from 1 October 2022, this will be 0300 373 0944. This number can be used between the times of 9 am – 5 pm.

Yours sincerely
