Eden Camp

Wednesday 23rd April 2025

Local Fieldwork

Residential Visits

Year 6 - Robin Wood
Year 5 - London

Assessments

The key stage 2 tests are timetabled from **Monday 12th May to Thursday 15th May 2025.**

We will host a specific meeting about the Year 6 SAT's later on in the academic year.

Our aims in UKS2

To build their confidence, resilience and independence.

To learn the curriculum to the highest standard.

To get the children 'High School ready'.

To make memories in their last key stage.

Have fun!

Top 5 reasons to JOIN US

Email: daneroydptfa@gmail.com

1. Support the School

Whether you are the relative of a current pupil or have another connection to the school, be a part of the group that funds the things your child loves and needs such as the playground equipment and the school crossing patrol. The PTFA is vital to the success of Dane Royd and all funds raised are used by the school to enrich every student's learning and experience.

2. It's totally flexible

Everyone is welcome and it's less commitment than you think. You don't have to attend meetings. We're a small group and all members are busy working parents so all help is really appreciated. Jobs such as designing a poster, sending in an idea for fundraising, sourcing prizes for raffles or volunteering at an event keep everything running smoothly.

3. Meet more people and connect

Create closer links with the head, teachers and staff and meet and chat to a wider circle of families from different classes and year groups. If you're new to the school, the PTFA is an excellent way to find out how things work and become part of the Dane Royd community. If not, you'll still get to know other parents, bond over events, and gain greater insight by seeing how things work from both sides.

4. Improve your child's experience

Studies show that children whose parents are involved in their education do better in school. Engaging with the PTFA shows your children's education is important to you. Play your part by working with the school and other parents to see where improvements can be made and implement them. Directly influence the experience of your child and hundreds of others.

5. Create lasting memories

Our children are only at school for a few years, but they will remember the difference we make for a lifetime. They will cherish the activities and games the PTFA fund, learn using resources we buy and remember the events we hold. Help keep the PTFA going so future pupils can benefit too.
