

Upper Foundation Stage '3..2..1..Blast off!' Homework Suggestions for Summer 2

Get Active

Can you pretend to be an astronaut walking on the moon? You could move like a rocket, a shooting star, a spinning spaceship or even create a funny alien dance!

Or why not try a Cosmic Yoga Workout:
<https://www.youtube.com/watch?v=LgJ2z1Pt7vg>

Get Outdoors

Go outside when it is dark, or look out of the window and talk about what you can see up in the night sky.

Can you count the stars?

Can you find the moon?

Does the sky change from one night to the next?

Get busy

'50 things to do before you're five' is a free app full of great ideas to support your child's development with fun suggestions for activities to try at home or in the local area.

50
things to do
before you're
five

50
things to do
before you're
five

Try activity

#14 See the stars!

#25 Creative Junk!

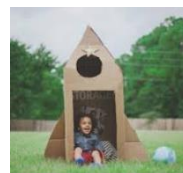

#49 Grass Gazing!

Get Artistic

Use playdoh to design a space alien and include labels!

Can you use junk materials to make a rocket to travel into outer space?

Paint a space-themed picture.

Get Baking

Bake your very own planet cookies or moon cupcakes.
