Arts & Design

Use crafting materials and junk to create some woodland animal art. Can you choose the right colours?

Can you add some detail?

Perhaps you might use natural items found on a woodland walk to craft with!

Woodland Walk

Why not enjoy one of the fantastic woodland walks in our local area to experience the wonders of nature first-hand? Talk to the children about the sounds they can hear, the smells and textures and support them to make discoveries. Which woodland creatures can they seek out? Happy exploring!
