**A Bed for Christmas**

Beds have become a luxury item for hundreds of thousands of families, who face the devastating decision to pay for food and fuel or to buy a bed.

Zarach's mission is to ensure that every child in England has a bed of their own; giving them a greater chance to learn and succeed at school.

If you are in need of a bed for your child, then please speak to a member of the Senior Leadership Team who will happily make the referral on your behalf. On average, a new bed bundle, including a bed-frame, mattress, duvet and bedding, will be delivered in 7 days of submitting the referral.
